Tonight's the night, I've waited for Because you're not a baby any more You've turned into the prettiest girl I've ever seen Happy birthday sweet sixteen

What happened to that funny face? My little tomboy now wears satin and lace I can't believe my eyes You're just a teenage dream Happy birthday sweet sixteen

When you were only six, I was your big brother Then when you were ten we didn't like each other When you were thirteen, you were my funny valentine But since you've grown up the future is sown up From now on you're gonna be mine So, if I should smile with sweet surprise It's just that you've grown up before my very eyes You've turned into the prettiest girl I've ever seen Happy birthday sweet sixteen
