

# Let It Snow, Let It Snow, Let It Snow

Celtic Thunder

Oh, the weather outside is frightful  
The fire is so delightful  
Since we've no place to go  
Let it snow, let it snow, let it snow

It doesn't show signs of stopping  
And I've bought me some corn for popping  
The lights are turned way down low  
Let it snow, let it snow, let it snow

When we finally kiss goodnight  
How I'll hate going out in the storm  
But if you really hold me tight  
All the way home I'll be warm

Oh, the fire is slowly dying  
And, my dear, we're still goodbyeing  
As long as you love me so  
Let it snow, let it snow, let it snow

It doesn't show signs of stopping  
And I bought me some corn for popping  
The lights are turned way down low  
Let it snow, let it snow, let it snow

When we finally kiss goodnight  
How I'll hate going out in the storm  
But if you really hold me tight  
All the way home I'll be warm

Oh, the fire is slowing dying  
An,d my dear, we're still goodbyeing  
As long as you love me so  
Let it snow, let it snow, let it snow  
Let it snow, let it snow, let it snow
