

# Look At Me

Celtic Thunder

Look at me  
I'm cool and I'm charming  
Debonair and disarming  
That's me to a tee  
Take a look at me  
Don't need no fandangos  
I got all of the angles  
Just look at me

Look at me  
Look at you  
I'm a natural winner  
I ain't no beginner  
That's me to a tee  
Take a look at me  
Take a look at you  
I can sing acappella  
I'm a hell of a fella  
Just look at me

You know nothin' at all about ladies  
Let me give you a piece of advice  
You're headin' for nothin' but trouble  
Let me give you a piece of advice

You think your a bit of a killer  
That the ladies will fall at your feet, ha  
They could eat you for supper  
And spit you right out on the street

Look at me  
Look at you  
Your resistance will crumble  
Get ready to rumble, one two, three  
Look at me  
Look at you  
I'm as fit as a fiddle  
So let's ? it a little  
Just you and me

It's a very bad time to be cocky  
When your out there on the ?  
Hold your horse like a jockey  
And don't rush in like a bull

You have to be patient with ladies  
And tell them what they want to here  
Keep a steady aim on your target  
Don't shoot like a young pistoler

Take a good look at yourself  
For goodness sake  
All the ladies are laughin'  
Ask yourself why

Take a good look at yourself  
And you will see

A natural loser  
Take it from me

Look at me  
I ain't no beginner  
A natural winner  
That's me to a tee

Take a look at me  
I can sing acappella  
I'm a hell of a fella  
Just look at me

Look at me  
I ain't no beginner  
A natural winner  
That's me to a tee

Take a look at me  
I can sing acappella  
I'm a hell of a fella  
Just look at me
