Winter Wonderland

Celtic Thunder

Sleigh bells ring, are you listening?
In the land snow is glistening
A beautiful sight, oh, we're happy tonight
Walking in a winter wonderland

Gone away is the blue bird Here to stay is a new bird And he's singing a song as we go along Walking in a winter wonderland

Well, in the meadow we can build a snowman And pretend that he is Parson Brown He'll say are you married, we'll say, "No, man" But you can do the job when you're in town

Later on, we'll conspire
As we dream by the fire to face unafraid
All the plans that we made
Walking in a winter wonderland

Well, in the meadow we can build a snowman And pretend that he's a circus clown We'll have lots of fun with Mr. Snowman Until the other kiddies knock him down

When it snows, ain't it thrilling Though your noes gets a chilling We'll frolic and play The Eskimo way
