## **Working Man**

## **Celtic Thunder**

It's a working man I am
And I've been down underground
And I swear to God
If I ever see the sun

Oh for any length of time I can hold it in my mind I never again Will go down underground

At the age of sixteen years Oh he quarrels with his peers He vowed they'd never See another one

In the dark recess of the mine Where you age before your time And the coal dust lies heavy On your lungs

It's a working man I am
And I've been down underground
And I swear to God
If I ever see the sun

Oh for any length of time I can hold it in my mind I never again Will go down underground

At the age of sixty four He will greet you at the door And he will gently lead you By the arm

Through the dark recess of the mine He will take you back in time And he'll tell you of The hardships that were had

It's a working man I am
And I've been down underground
And I swear to God
If I ever see the sun

Oh for any length of time
I can hold it in my mind
I never again will go down underground

I never again will go down underground
