

# The Call

Celtic Woman

Sometimes in this life we hear  
Calling from somewhere  
Sometimes it is loud and clear  
Sometimes it's so softly there

Sometimes it is in the sea  
Sometimes in the sky  
Sometimes it's in you and me  
And sometimes it's a cry

Open your heart  
I am calling you  
Right from the very start  
Your wounded heart was calling, too

Open your arms  
You will find the answer  
When you answer to the Call

Sometimes it is in desire  
Or in the love we fear  
When the call keeps calling us  
'Till the fear will disappear

When we have no dance to dance  
The call is in the song  
When we have no voice to sing

Then the call is calling strong

Open your heart  
I am calling you  
Right from the very start  
Your wounded heart was calling, too

Open your arms  
You will find the answer  
When you answer to the Call

Open your heart  
I am calling you  
Right from the very start  
Your wounded heart was calling, too

Open your arms  
You will find the answer  
When you answer to the Call

Open your heart, your heart  
And you will find the answer  
To the Call!
