

When You Wish Upon A Star

Celtic Woman

When you wish upon a star*
Makes no difference who you are
Anything your heart desires
Will come to you

If your heart is in your dream
No request is too extreme
When you wish upon a star
As dreamers do

Fate is kind
She brings to those who love
The sweet fulfillment of
Your secret longing

Like a blot out of the blue
Fate steps in and sees you through
When you wish upon a star
Your dreams come true

Fate is kind
She brings to those who love
The sweet fulfillment of
Your secret longing

When you wish upon a star
Makes no difference who you are
Anything your heart desires
Will come to you

May all your dreams come true
