

Towards to the Final Consciousness

Cemetery of Scream

There is a lime and there is space....
As soon as you are
born you are caught in between.
Then, you may spend
your life either waiting for your time or wasting your
I have never wasted my time.
Maybe that's why
one night I felt as if I had been born again.
With no
rhyme or reason,
I began to laugh and behave like a
happy child expecting a beautiful gift.
I could not
recognize myself,
the whole change was so sudden, so
quick...
And on that unforgettable night,
I saw death's
face, and nothing has ever since been the same.
It was
shortly after that close encounter with the grim reaper,
when I went on my journey in search of the ultimate
knowledge,
but the only answer I have found,
so far,
but more questions...
