

Without Motives

Centinex

Hideous aftermath
Traces of resistance
Everything broken into pieces

Without motives
Horrific act made by a mad man
Without motives
Killing just for pleasure

Perverse impression
But still just speculations
Crime scene no motives
Human and interior
In bits and pieces

Without motives
Horrific act made by a mad man
Without motives
Killing just for pleasure

Blood splattered on walls and roofs
Inhuman act of violence
No motives
Struggle for survival
The scene tells the story
No motives
The story of an horrific act
made by a mad man
Not motives
But what can trigger this kind of act
made by a mad man
No motives

Without motives
Horrific act made by a mad man
Without motives
Killing just for pleasure
