

## She Said Yes

Chad Brock

She moved into my old apartment  
That's how we got this whole thing started  
She called and said that I had mail  
Waiting there for me

I told her that I'd come and get it  
How could I know in just a minute  
That I'd be standing face to face  
With my own destiny

Ooh, and we sat there talking just like we were old friends  
Ohh, then I asked her, „Can I see you again?”

She said, "Yes", and I said, "Wow "  
And she said, "When", and I said, "How about right now?"  
Love can't wait, then I asked if she believed in fate  
And she said, "Yes"

The days flew by just like a fast train  
And nothing else has been on my brain  
Except the thought of how she makes me  
The man I want to be

She's the one I want for a million reasons  
Loving her is just like breathing  
It's easy and it's obvious  
She was made for me

Ohh, then it happened one night, looking in her eyes  
Ohh, when I popped the question, much to my surprise

She said, "Yes", and I said, "Wow "  
And she said, "When", and I said, "How about right now?"  
Love can't wait, then I asked if she believed in fate  
And she said, "Yes"

So we called the preacher family and friends  
And nothings been the same since

She said, "Yes", and I said, "Wow "  
And she said, "When", and I said, "How about right now?"  
Love can't wait, then I asked if she believed in fate  
And she said, "Yes", she said, "Yes"
