

## The Visit

Chad Brock

Sorry I'm so late, but I've been out walking  
Trying to find a way to tell you, what I think you already know  
I'd never want to hurt you, 'cause darling I still love you  
But things aren't like they used to be, it's time for letting g  
o

I wasn't out there looking, but a month ago last Sunday  
I met someone just like you in line at the grocery store  
And we've been spending time together, yeah, she knows all about  
t you  
The truth is she can give me, what you can't anymore

Lookin' back when we first started  
I never thought I'd see this day  
If only I could write the pages  
Our story wouldn't end this way

I feel so much better knowing we could have this moment  
But it looks like it may rain soon and it's getting kind of lat  
e  
I'll always bring your roses each time I come to visit  
The caretaker's waving, he wants to close the gates

Ohh, lookin' back when we first started  
I never thought I'd see this day  
If only I could write the pages  
Our story wouldn't end this way

If only I could write the pages  
Our story wouldn't end this way
