Willow Tree

Chad VanGaalen

Sleep all day, just waiting for the sun to set
I hang my clothes up on the line

When I die, I'll hang my head beside the willow tree
When I'm dead is when I'll be free

And you can take my body
Put it in a boat
Light it on fire
You can use the kerosene
Chad VanGaalen Lyrics on www.lyrics-celebrities.anekatips.com

Take my body
Put it in a boat
Light it on fire
Send it out to sea

Whoooo whooo
Whoooo whooo

Yeah yeah yeah
Yeah yeah yeah

Sleep all day just waiting for the sun to set
I hang my clothes up on the line

When I die I hang my head beside the willow tree
When I'm dead Is when I'll be free

So you can take my body
Put it in a boat
Light it on fire
Use the gasoline

Take my body
Put it in a boat
Light it on fire
Send it out to sea
