

## Chainsaw Killer

### Chainsaw

Some say Jasper's father was really mean  
He wouldn't sleep a wink all night  
if he forgot to make his wife cry somehow  
The man's brain was eaten away by drink  
Some say Jasper's mother went bonkers  
For they would find no other answer  
To the mocking question whether  
It was sane of her not to leave or die

Jasper may have gone through the hell  
In his buried infant days  
But it may well be.  
It seems to me  
No one quite knows why  
He went down the murky road  
Of a chainsaw , of a chainsaw killer  
Some say Jasper's grand-dad had an axe  
The best lumber-jack in the hamlet  
Could handle an ancient oak alone  
And then leave his money to the whores  
Today chainsaws scathe the forest green  
Flooded by platoons of hearty lads  
Raving motors scare the wolves away  
Jasper roams alone in woods and broods

Jasper may have (2x)  
Jasper thinks the trees should grow in peace  
He fondles the birch-bark with affection  
No one listened to him until the day  
When a state-owned chainsaw disappeared  
Some say Jasper could not use a chainsaw  
Some say: "he couldn't tell chalk from cheese"  
But our Jasper is gone so are his wits  
Cavorting newshounds are swarming in his hut

Jasper may have (2x)
