```
The most evident utensil
Is none other than a pencil
Not a multicolored stencil
Nor a camra and crew
How hard must I try
(how hard must I try)
how hard must i try, for you-oo-oo?
You see me rolling in the dirt
(you see me rolling in the dirt)
You see me crawling up the walls by you-oo-ooo
the most evident utensil
Is none other than a pencil
Writer tell me what you want from me
Befor my paper is through
How hard must I try
(how hard must I try)
How hard must I try for you-oo-oo?
You see me rolling in the dirt
(you see me rolling in the dirt)
You see me crawling up the walls by you-oo-ooo
How hard must I try
(how hard must I try)
How hard must I try for you-oo-oo?
You see me rolling in the dirt
(you see me rolling in the dirt)
You see me crawling up the walls by you-oo-ooo
(how hard must I try for you, try for you, must I try for you)
for you-ooo, for you-ooo...
