All of the bones in your body Are in way too few pieces for me Time to do something about it If you know what I mean

I'm on a sidewalk safari

If I see you on the street, you'd better run

Away from my all-terrain weapon

In your direction

In your direction...

I'm on a sidewalk safari
If I see you on the street you'd better run
You should have taken a taxi
In your direction

Cause I'm gonna hunt you down
(In your direction)
I'm gonna run you down
(In your direction)
I'm gonna run you down
(In your direction)
I'm gonna hunt you down

I'm bad with bows and arrows
I'm not so good at guns
Poison seems old fashioned
And hired help's no fun
But I do know how to drive a car
Faster than a man can run...

Cause I'm gonna hunt you down
I'm gonna run you down
(In your direction)
I'm gonna run you down
(In your direction)
I'm gonna hunt you down
(In your direction)
