

Tease Me

Chaka Demus & Pliers

She's floating like a butterfly
So charming
(Baby girl)
She recognise the man in me
(Number one in di world)
There's something in her eyes
Like a spell
Getting me hypnotised, ooh Lord
She give me one smile
Two smile, three smile
She got me going wild
(Worth more than
Diamonds and pearl)
So baby don't
Change your style
(Sweet honey)
Oh no, no love

Tease me, tease me
Tease me, tease me baby
Till I lose control
Tease me with your love
Until I lose control
Take all my body
And soul, oh girl

Woman your love is like
Burning fire inna me soul,
Woman tease me
Till me lose control,
Woman your love is like
Burning fire inna me soul,
Woman tease me
Till me lose control.

Me gal tease me and
Take a look me fancy
Right from the clock
Until me reach climax
And when me reach me
Will tell you fi stop
Will ya hear fi de sky
And we not turn back.

Brrrrup baff, you make
Me heart tick like a clock
Woman tease me and take
A look me weak spot
Only your touch can make me
Then them talk a
When me nah take back

Woman your love is like
Burning fire inna me soul
Tease me gal
Until me lose control
Woman your love is like

Burning fire inna me soul
Woman tease me
Till me lose control

Suddenly you think
Of all the love
That I was searching for
Holding confidence that
Will never, never fail
Hearing angel voices
Singing love prevail, ooh darling
Come closer to me
And don't bail out
When me sing I'll come

Tease me, tease me
Tease me, tease me baby
Till I lose control
Tease me with your love
Until I lose control
Take all my body
And me soul, oh girl

Tease me, tease me
Tease me, tease me baby
Till I lose control
Tease me with your love
Until I lose control
Take all my body
And me soul, oh girl

Hear me now
I will never forget the
First time we kissed
It's like striking goal,
Catching a big fish
Yes, you are on top
Of my woman's list
Second to none
You defeat the favourite
Woman your love is like
Burning fire inna me soul
Woman tease me
Till me lose control
Woman your love is like
Burning fire inna me soul
Woman tease me
Till me lose control

And even if my mind
Should resist, oh yeah
Tease me, tease me
Tease me, tease me baby
Till I lose control
Tease me with your love
Until I lose control
Take all my body
And me soul, oh girl
