

## Any Old Sunday

Chaka Khan

Spendin' all my time  
With you on my mind  
I think it's time that we made the score  
Oh it makes me crazy  
This anticipating  
Cause I'm loving you more and more

One by one the lonely hours slip away  
I'd like to be your fun and games  
Brighten up your day, yeah yeah yeah yeah

Any old sunday, any old sunday will do (so what are you waiting for?)  
Any old sunday, any old sunday will do (so what are you waiting for?)

I'm waitin' for the time  
To feel your arms around me (so what are you waiting for?)  
Time keeps passing  
I'm yours for the asking  
Because our love is an open door  
Stop cultivating, stop hesitating  
No more questions in my mind  
You can be so lovely  
Our love will be like honey to the bee  
Yeah yeah yeah yeah
