## Get Ready, Get Set

**Chaka Khan** 

Night's gonna fall Lettin' the stars shine through And time on a wall Bringin' me closer To the one I want I can't wait no more, no

Lost like a child Even my knees are shakin' Caught for a while Under a wave that's breakin' Over me In his arms I float

When he looks at me that way I know just what he'll say

Get ready, get set You've seen nothin' yet All day, all night Here's somethin' you can't forget

I say get ready, get set You ain't seen nothin' yet All day, all night Here's somethin' you can't forget

I could try Imagining somethin' better than You and I Makin' sweet love together

Taking me much farther than before, yeah And when I stop to feel this way You'll know just what he'll say

Get ready, get set You ain't seen nothin' yet All day, all night Here's somethin' you can't forget

I say get ready, get set You ain't seen nothin' yet All day, all night Here's somethin' you can't forget

When he looks at me the way I know just what he'll say

Get ready, get set You ain't seen nothin' yet All day, all night Here's somethin' you can't forget

I say get ready, get set You ain't seen nothin' yet All day, all night Here's somethin' you can't forget Get ready, get set You ain't seen nothin' yet All day, all night Here's somethin' you can't forget

Get ready, get set You ain't seen nothin' yet All day
