

I Hear Music

Chaka Khan

I hear music
Mighty fine music
The murmur of the morning breeze up there
The rattle of the milkman on the stair

Sure that's music
Mighty fine music
The singing of the sparrow in the sky
The perking of the coffee right nearby

That's my baby's melody
When you my angel holding me

I hear music
Mighty fine music
And anytime I think my world is wrong
I get me out of bed and sing this song

That's my favorite melody
When you ma angel holding me

I hear music
Mighty fine music
And anytime I think my world is wrong
I get me out of bed and sing this song
