

Like Sugar

Chaka Khan

It's like su--
It's like su--
It's like sugar, so sweet
Good enough to eat
When I feel the funk, I give in
Get up on a-yo' feet
Why with the state that I'm in
Everybody here is dancing
All I wanna do is get ya
Body next to mine, yeah
Baby won't you stand up to me
Come around and make a move
Maybe teach ya something like this
Funky, funky groove
It's like sugar, so sweet
Good enough to eat
When I feel the funk, I give in
Get up on a-yo' feet
It's like su--
It's like su-- (I like it)
Like sugar (like sugar), it's like sugar (like sugar)
It's like sugar (like sugar), it's like sugar (like sugar)
It's like sugar (like sugar), it's like sugar (like sugar)
It's like sugar (like sugar), it's like sugar (like sugar)
It's like...
