

## Like Sugar

Chaka Khan

It's like su--  
It's like su--  
It's like sugar, so sweet  
Good enough to eat  
When I feel the funk, I give in  
Get up on a-yo' feet  
Why with the state that I'm in  
Everybody here is dancing  
All I wanna do is get ya  
Body next to mine, yeah  
Baby won't you stand up to me  
Come around and make a move  
Maybe teach ya something like this  
Funky, funky groove  
It's like sugar, so sweet  
Good enough to eat  
When I feel the funk, I give in  
Get up on a-yo' feet  
It's like su--  
It's like su-- (I like it)  
Like sugar (like sugar), it's like sugar (like sugar)  
It's like sugar (like sugar), it's like sugar (like sugar)  
It's like sugar (like sugar), it's like sugar (like sugar)  
It's like sugar (like sugar), it's like sugar (like sugar)  
It's like...
