

Night Moods

Chaka Khan

Night moods, I love your night moods
Night moods, You've got the right moods

When you're lying here beside me
Ooh you take my breath away
Baby I feel such love inside me
I'm so glad you're going to stay
Night moods, night moods
Got a need as deep as a canyon
I'm so glad I found my soul companion
I love your night moods
I'm in the right mood
I love your night moods

Night time is the right time
Night time is the one time I'm loving you
Loving you

All day long I'm thinking of
And I just can't wait 'til the sun goes down
I can't help it, how I love it
Count the moments 'til you come 'round
Night moods, night moods
Ain't no use in talkin' about it
All I know is that I can't live without it
I love your night moods
I'm in the right mood
I love your night moods

Night time is the right time
Right now is the one time I'm close to you
Close to you

Got a need as deep as a canyon
I'm so glad I found my soul companion
Night moods, I love your night moods

Night moods (I love it, I love it, I love it, I love it at night)
Night moods (I love it, I love it, I love it, I love it at night)
Night moods (I love it, I love it, I love it, I love it at night)
Night moods (I love it, I love it, I love it, I love it at night)
