

Reconsider (U Betta)

Chaka Khan

Please forgive me, I don't know what to say
Except I'm sorry to scare you away from me
I get crazy and don't know what I've done
It's all hazy thought we were having fun
Was it so bad
You feel you had to leave me, baby?
Now that you're gone
I need to belong, believe me, baby
I would be so glad
If you would reconsider and stay
Reconsider, reconsider, reconsider
Baby's cryin' it's so cold in our place inside I'm dyin'
We need the smile on your face don't need no money
I don't need no girlfriends, want my daddy
To love me again and again and again and
I would be so glad
If you would reconsider and stay
Reconsider, reconsider, reconsider
Sometimes honey I know I talk too loud
Short temper I'm apt to cuss you, you
I don't mean it, passion gets the best of me
Still I love you and I feel like you love me too
I would be so glad
If you would reconsider and stay
Reconsider, reconsider, reconsider
If you walk out that door
You betta reconsider this if you don't call me no more
You betta reconsider, reconsider that, reconsider
If you think you were lonely before
you betta, reconsider, reconsider this
That I changed the lock on this door
You betta reconsider that if you stop payin' these bills
You gotta reconsider I betcha somebody will
You betta reconsider
