

# Slow Dancin'

Chaka Khan

I catch your reflection  
Through smoke filled ayes  
I begin my inspection  
And I'm watchin' you  
Your smooth syncopation  
You synthesize  
Your beatin' vibration  
Makes me watchin' you

(And) If I smiled at you  
Would you walk away  
Or would you have this dance with me

Slow dancin' (Slow dancin')  
Slow dancin' (Slow dancin')  
Slow dancin' (Slow dancin')  
Yeah, just you and me, baby, oh babe

Something about your freaky ways  
Gives me a shiver  
I watch you  
You're a smooth operator  
With sexy eyes, in anticipation  
I watch you (I watch you, too)

(And) If I smiled at you  
Would you walk away  
Or would you have this dance with me

Slow dancin' (Slow dancin')  
(Slow dancin', slow dancin')  
So fine (Slow dancin')  
Oh baby, slow (Slow dancin')  
And goin' low (Slow dancin')  
Oh just you and me

Oh you dance with, oh you dance with  
Oh you dance with, oh you dance with me  
Just round and round, and dance slow

La la la slow, la la la dancin'

Slow dancin', slow dancin'  
Slow dancin', just you and me, babe

Dance with me, dance with me, baby, oh  
(Slow dancin') Let's go grindin'  
Just you and me

Baby, just one slow dance  
Baby, just one slow grind  
Baby, let's get down low  
And see what we will find  
Baby, just one slow dance  
Let's give it just one slow grind  
Chaka just get down low  
And see what we will find

(And) If I smiled at you  
Would you walk away  
Or would you have this dance with me

Dancin' (Slow dancin')  
(Slow dancin', slow dancin')  
Just you and me

(Slow dancin') Baby, let's dance  
(Slow dancin') Baby, get slower  
(Slow dancin') Try to get lower  
(Slow dancin') You and me, babe  
(Slow dancin') Baby, let's dance  
(Slow dancin') Baby, get slower  
(Slow dancin') Try to get lower  
(Slow dancin') Let's go grindin'
