

The Other Side of the World

Chaka Khan

A penny has two faces
When one of them you have to choose
Between the two places
One must win and one must lose

You say you have a sense of freedom
Whenever you're away from here
Put your hand on your heart and tell me
That you never shed a tear

Ooo, what you doing babe
On the other side of the world
With all those fancy girls
Never believe their hearts are stolen
They may warm your bed when you're alone
But I can warm your heart instead
On the other side of the world

Life is only snakes and ladders
Sometimes up and sometimes down
It doesn't really matter baby
When you got good love around

Ooo, but you won't find that lovin'
On the other side of the world
With all those crazy girls
Never believe their hearts are stolen
They may warm your bed when you're alone
But I can warm your heart instead
On the other side of the world

I'll be waitin' for you
Never believe their hearts are stolen
They may warm your bed when you're alone
But I can warm your heart instead
On the other side of the world
On the other side of the world
On the other side of the world
On the other side of the world
On the other side of the world
On the other side of the world
