Through the Fire

Chaka Khan

I look in your eyes and I can see We've loved so dangerously You're not trusting your heart to anyone

You tell me you're gonna play it smart We're through before we start But I believe that we've only just begun

When it's this good, there's no saying no I want you so, I'm ready to go

Through the fire, to the limit, to the wall For a chance to be with you I'd gladly risk it all

Through the fire, through whatever, come what may For a chance at loving you I'd take it all the way Right down to the wire, even through the fire

I know you're afraid of what you feel You still need time to heal And I can help if you'll only let me try

You touched me and something in me knew What I could have with you Now I'm not ready to kiss that dream goodbye

When it's this sweet, there's no saying no I need you so, I'm ready to go

Through the fire, to the limit, to the wall For a chance to be with you I'd gladly risk it all

Through the fire, through whatever, come what may For a chance at loving you I'd take it all the way Right down to the wire, even through the fire

Through the test of time

Through the fire, to the limit, to the wall For the chance to be with you I'd gladly risk it all

Through the fire, through whatever, come what may For a chance at loving you I'd take it all the way Right down to the wire, even through the fire

Through the fire, to the limit Through the fire, through whatever Through the fire, to the limit Through the fire, through whatever Through the fire, to the limit Through the fire, through whatever
