

# Will You Love Me?

Chaka Khan

I used to think that I was happy  
But I was just lying to myself  
Made me believe no one would have me  
So I put my poor heart on the shelf  
Like a heatwave  
Like a sud-den wind  
Like a slap to the essence of my being  
Boy you came in, like a sud-den wind  
You know you blew me away  
Away...

Will you love me  
Will you be-the-one  
Who is coming, coming to my rescue  
Will you care for me  
Will you com-fort me  
Will you be the one  
The one who's gonna rescue me  
I feel like I was born just for you  
I am so glad you came in time  
Now that your here  
I just adore you baby  
To lose this love would be a crime  
Like a heatwave  
Like a sud-den wind  
Like a slap to the essence of my being  
Boy you came in, like a sud-den wind  
You know you blew me away  
Away...

Will you love me  
Will you be the one  
Who is coming, coming to my rescue  
Will you care for me  
Will you com-fort me  
Will you be the one  
The one who's gonna rescue me

Will you love me  
Will you be the one  
Who is coming, coming to my rescue  
Will you care for me  
Will you com-fort me  
Will you be the one  
The one who's gonna rescue me  
Will you love me  
Will you love me  
Will you love me  
Will you love me  
Will you love me  
Will you love me  
Will you love me  
Will you love me

Will you love me  
Will you be the one  
Who is coming, coming to my rescue

Will you care for me  
Will you com-fort me  
Will you be the one  
The one who's gonna rescue me
