

# It Ain't So Easy

Chalee Tennison

Oh, yeah  
Baby, I heard you when you said good-bye  
That's the kind of thing you don't have to say twice  
Now I hear that you ain't so happy being free  
I guess it ain't so easy to forget about me

It ain't so easy, is it, baby, on the other side  
It's about to drive you crazy lying awake at night  
The bed's too big, the night's too long  
You think too much and I'm too gone  
No matter where you turn or what you do  
My memory's looking back at you  
It ain't so easy, is it, baby  
It ain't so easy, is it, baby  
It ain't so easy to forget about me

Got your own apartment, a sports car too,  
Everything in your world is all shiny and new  
That dream you're living ain't all you thought it would be  
I guess it ain't so easy to forget about me

It ain't so easy, is it, baby, on the other side  
It's about to drive you crazy lying awake at night  
The bed's too big, the night's too long  
You think too much and I'm too gone  
No matter where you turn or what you do  
My memory's looking back at you  
It ain't so easy, is it, baby  
It ain't so easy, is it, baby  
It ain't so easy to forget about me

The bed's too big, the night's too long  
You think too much and I'm too gone  
No matter where you turn or what you do  
My memory's looking back at you  
It ain't so easy, is it, baby  
It ain't so easy, is it, baby  
It ain't so easy to forget about me

It ain't so easy  
It ain't so easy  
It's about to drive you crazy  
It ain't so easy, is it, baby
