Y'all frontin, y'all frontin, y'all frontin, y'all frontin  
Y'all niggaz just hate, Y'all niggaz just hate  
Y'all fake, Y'all fake, Y'all fake, Y'all fake  
You ain't finna do nothing, you ain't finna do nothing  
Y'all frontin, y'all frontin, y'all frontin, y'all frontin  
Introducing to you now is the kid they love to hate  
But when you saying what you saying  
You just say it to my face

Yeah you see him? (Yeah)  
You see him bow beat him down lean him down (lean him)  
Your breathing sound like you now layin down sleepin  
You be surrounded or found on the ground beaten  
You see him how he look now and he ain't found a reason  
My reason is that they won't have to persuade  
Me to have the courage to walk right up and say it to your face  
A faker never know he fake  
A hater never admit he hate  
By the time they figure it out is probably gon be too late (yeah)  
Grinning up your face is like you tryin to let me know  
That you ain't really happy how how I'm getting all this dough  
Let the truth be told tell me is your friend a foe  
Better make it clear or get mistaken for a hoe (Yeah)  
And then you take him to the floor  
I can't ignore it if you're talking  
But I hope that what you talking ain't about running up or robbing  
Walk around like everybody is the enemy just for precaution (just for precaution)  
I get no surprised and have to see an early coffin

Y'all ain't about nothing  
Y'all ain't about nothing  
Y'all frontin, y'all frontin, y'all frontin, y'all frontin  
Y'all niggaz just hate, Y'all niggaz just hate  
Y'all fake, Y'all fake, Y'all fake, Y'all fake  
You ain't finna do nothing, you ain't finna do nothing  
Y'all frontin, y'all frontin, y'all frontin, y'all frontin  
Introducing to you now is the kid they love to hate  
But when you saying what you saying  
You just say it to my face

And what you smokin'. your brain clouded yet the pine got your mind polluted  
You got some smarts in your mind hey it's time use it  
Your friends arrive talkin down on the loud music  
Them niggaz's lying plus them concept is gettin included  
How could they tell you, you was built to last  
You built like a boxing bag, put a whoopin on that ass  
See us approachin that set in motion in that hour glass  
Wrong words are built too fast, find your exit and dash  
Lookin for crabs in a bucket tryin criticize me (me)  
But they do it around them niggaz don't say it around me (me)  
And if they do us opposite how they feel about me (me)

Turn my back and they relax and talk that lip behind me  
I see you a busta and I'mma bust ya in your lip  
Put some lipstick in my fist, throwin you a kiss  
Since I see that you a sucker, suck a gasoline dick  
Put it right up to your lip, put a lighter to the tip (boom!)

Y'all ain't about nothing  
Y'all ain't about nothing  
Y'all frontin, y'all frontin, y'all frontin, y'all frontin
