I got suspended, ohhhhh you got suspended  
For chiefin' a hunnid blunts, 14,400 minutes  
Fans all in the stands, they hands for Mr. Bennett  
That racket over the net, ohhhhh give me my tennis  
Shoes, give me a minute, ohhhhh I can't be tardy  
My class is already started, they told my mom I'm retarded  
But that 10Day done in one night, Honda from a Hyundai  
No tassel in the spring, but after summer I'm alumni  
They took my nigga one night, and I was standing right there  
An inch away from heaven, a million songs from right here  
A step away from South by, a swing away from Cali  
A hook away from verses, I'm a dad away from rapping  
So at the school they arrested him, back seat, squad car, nestled in  
Shouts to the bitch nigga Heselton , wit' his Big Show body ass  
wrestlin'  
Finna see the 10Day Pestilence, so far, so good, so special and  
No stars, good jobs, or excellents, and I'm still so fucking no  
n-echelon  
Ohhhhh you got suspended, ohhhhh you not gon' finish  
Ohhhhh you look familiar, ohhhhh you look like Kenneth  
Damn they gon' resent it, ohhhhh you representin'  
A class of bad kids, 14,400 minutes ahhhhh!Like
