

A Lover's Holiday

Change

Not a cloud shown out in the sky
That very night in Pitch Black City
I was so damned scared, it was dark
It was so dim, it was a shame
Just then a man walked up to me and said,
"Didn't I see you here before?"
The lights were low and the party was so dull
Just how would he know?

Holiday (Ey, hey, hey, hey, hey)
Holiday (Holiday, what you say)
Holiday
Celebrate (Ah yeah)

Holiday
Holiday (Alright)
Holiday
Celebrate (Woo)

Then we both held hands in each other
Saw a chance to start a new thing
He reached deep inside of his vest
And in his hand he held a ring
Let's have lunch, picnic or a brunch in the wintertime
Let's disco down in a rollerskating ring in Alaska town

Holiday (Holiday)
Holiday (Come on, come on celebrate)
Holiday (Woo, woo, woo, woo)
Celebrate

Holiday (You got the feeling, come on, keep ahead)
Holiday (Reelin' holiday, yea, yea)
Holiday (Owww)
Celebrate

Not a cloud shown out in the sky
That very night in Pitch Black City
I was so damned scared, it was dark
It was so dim, it was a shame
Just then a man walked up to me and said,
"Didn't I see you here before?"
The lights were low and the party was so dull
Just how would he know?

Holiday
Holiday
Holiday
Celebrate
