

# Come Over

## Changing Faces

Ooh  
Mmm mm mm  
Mm yeah  
Uh, mm, yeah

I just touched down  
Quarter after two  
I know it's late  
I'm calling you  
Tryin' to figure if I  
Can come see you  
(Can I come see you?)

I know you're asleep  
But you're on my mind  
I'm wide awake  
And I wanna stop by  
So you can get up  
And get out of the bed  
Cuz I wanna see you  
And I been wondering....

Can I come over?  
Can I (come over)  
Stop by (come over)  
To see you (come over)  
Tonight (can I come over?)  
Can I (come over)  
Get wit' ya (come over)  
I just wanna (come over)  
Be wit' ya babe

Can I come over?  
Can I (come over)  
Stop by (come over)  
To see you (come over)  
Tonight (can I come over?)  
Can I (come over)  
Get wit' ya (come over)  
I just wanna (come over)  
Be wit' ya babe  
What the deal?  
I'm not that far  
I just got my bags  
And I'm headed to the car  
Say yes or no  
Cuz I'm on the road  
(Wait a minute, my battery's low.. alright)

Baby I wanna come see you  
Said I really wanna come see you  
Don't you worry about a thing  
I'm just wantin' to hold you  
Praise you, I want to guide you, tell you  
How much I love you, I need you, I miss you

Can I come over?

Can I (come over)  
Stop by (come over)  
To see you (come over)  
Tonight (can I come over?)  
Can I (come over)  
Get wit' ya (come over)  
I just wanna (come over)  
Be wit' ya babe

Can I come over?  
Can I (come over)  
Stop by (come over)  
To see you (come over)  
Tonight (can I come over?)  
Can I (come over)  
Get wit' ya (come over)  
I just wanna (come over)  
Be wit' ya babe

Oh, oh, oh, oh  
Ooh oh, oh, ooh ooh  
Oh, oh, oh, oh  
Ooh oh, oh, ooh ooh

Can I come over?  
Can I (come over)  
Stop by (come over)  
To see you (come over)  
Tonight (can I come over?)  
Can I (come over)  
Get wit' ya (come over)  
I just wanna (come over)  
Be wit' ya babe

Can I come over?  
Can I (come over)  
Stop by (come over)  
To see you (come over)  
Tonight (can I come over?)  
Can I (come over)  
Get wit' ya (come over)  
I just wanna (come over)  
Be wit' ya babe
