If you got the balls to win the show  
So be aware, if you dare cause you're racin towards glory

Don't give up never slow  
Go on faster down that road  
It's war on wheels

Sometimes we all need  
Adrenaline to feed our greed  
Feel free, what's more  
To catch the big dollar fever

Go on we're on the road

Go on faster dawn that road  
It's war on wheel's

Something's going wrong now  
I feel it  
Pushing my luck over the edge  
But I'm f\*\*king fearless  
Just a little bit faster
