

## Man On The Edge

Channel Zero

I'm a loser, in a suckers world  
Left on the streets worthless and weak  
Pointless drifting far from home  
Is this the only thing that I deserve

They don't pay attention

Useless, in a numbers world  
Dropped like a beercan in society  
They don't pay attention! no!

They don't pay attention

Pay attention before you fall
