

# Feels Like Home

Chantal Kreviazuk

Somethin' in your eyes, makes me wanna lose myself  
Makes me wanna lose myself, in your arms  
There's somethin' in your voice, makes my heart beat fast  
Hope this feeling lasts, the rest of my life

If you knew how lonely my life has been  
And how long I've been so alone  
And if you knew how I wanted someone to come along  
And change my life the way you've done

It feels like home to me, it feels like home to me  
It feels like I'm all the way back where I come from  
It feels like home to me, it feels like home to me  
It feels like I'm all the way back where I belong

A window breaks, down a long, dark street  
And a siren wails in the night  
But I'm alright, 'cause I have you here with me  
And I can almost see, through the dark there is light

Well, if you knew how much this moment means to me  
And how long I've waited for your touch  
And if you knew how happy you are making me  
I never thought that I'd love anyone so much

It feels like home to me, it feels like home to me  
It feels like I'm all the way the back where I come from  
It feels like home to me, it feels like home to me  
It feels like I'm all the way back where I belong  
It feels like I'm all the way back where I belong
