

Ghosts of You

Chantal Kreviazuk

We were occupied
We never had to go outside
I was your alibi
We were planning our escape

We stayed up all night
With Lucy and the diamond sky
Drank cheap red wine
And talked ourselves to sleep

[Chorus:]

Please don't go
These ghosts of you
The only thing that help get me through the day
Baby please don't go
Cause I love you
You're the only one that will stay the same

We could laugh out loud
And sing until the sun came out
We took a secret vow that we would never change
You always loved to dance
I wish we had another chance
To go back in time and do it all again

[Chorus]

I don't wanna live forever
But if we could be together
Then I wouldn't mind infinity
I don't wanna live forever
Oh but I can still remember
No I wouldn't mind infinity

[Chorus 2x]
