

The Way

Chantal Kreviazuk

The sky was grey for so long by the time the sun came out,
I didn't notice. I was too far gone.
And now this building's not so high and forever ain't so long.
I don't remember, no. What went wrong?

This is the way I'm feelin', can't take away what's real to me,
no.
This is the way I'm turnin', so let me go and don't do anything
at all.

Sorry for how I drag you around, up when you're down
and down when you're up. I should just cheer you on.
Somewhere, there's your middle ground, you know you're there,
oh, when you're found, you're lost and then you're free.

This is the way I'm feelin', can't take away what's real to me,
no.
This is the way I'm turnin', so let me go and don't do anything
at all.

Somewhere, there's your middle ground, you know you're there,
oh, when you're found, you're lost.

This is the way I'm feelin', can't take away what's real to me,
no.
This is the way I'm turnin', so let me go, don't do anything, n
o.

This is the way I'm feelin', can't take away what's real to me,
no.
This is the way I'm turnin', so let me go, don't do anything at
all.
