

Give Me Time

Chanté Moore

Seconds past so very fast
I was watching perfect time
Let me share each dawn with you
Love you thru the sands of time

Time is precious to so few
Love is rare and hard to find
Won't you take this hand of mine
Love can span the hands of time

Yes time is a treasure
That we cannot buy
Time measures life and I don't know why

My love before I met you
I just could not feel, then you touch my heart
And you taught me to live
You are the sun gentle and warm
You make, you make my life complete
Give me time to show what you mean to me

Time is you, don't you see, I need you to give me time
To show what you mean to me

Ooh, ooh...yeah yeah yeah.. you're my life, my my, yeah yeah, o
oh ooh...

You are the sun gentle and warm
You make, you make my life complete
Give me time to show what you mean to me

Time is you, don't you see, I need you to give me time
To show what you mean to me

Time is you, don't you see, I need you to give me time
To show what you mean to me

You mean to me
