Chanté Moore

(Real one, real one)  
(I done found a real one, real one)  
(Messed around, 'round...)  
(Real one, I done found a real one, real one)

Off the rip it was cool  
Perfect conversation  
When it comes to dope relations

It's got to be some kind of catch he's too perfect  
All this lovin' you givin' me even though I know I'm worth it

He be buying them bags, spending that cash, make it right back  
Text him, he call me right back. You know that every girl really love that  
He be taking care of me, and I don't have to ask  
He ain't nothing like that nigga I had in the past

(I done messed around and found a real one)  
Real one  
(He be goin' hard givin' real love)  
Real love  
(I done messed around and found a real one)  
I've got a real love  
(He be goin' hard givin' real love, real love)

(I'ma hold him down on the way up)  
(Way up)  
(When I put it on him, he don't stay up)  
(Stay up)  
(I done messed around and found a real one)  
(Real one)  
(He be goin' hard givin' real love)

I cook him his breakfast in the morning 'fo he wake up  
'Cause I know he be workin' hard, grindin' getting that cake up  
So I'ma keep my heels straight up like he like  
Stay up in the gym, gotta keep my body tight

He be buyin' them bags, spending that cash, make it right back  
Text him, he call me right back. You know that every girl really love that  
He be taking care of me, and I don't have to ask  
He ain't nothing like that nigga I had in the past

(I done messed around and found a real one)  
Real one  
(He be goin' hard givin' real love)  
Real love  
(I done messed around and found a real one)  
Real one  
(He be goin' hard givin' real love)  
Real love  
(Real love)

(I'ma hold him down on the way up)

On the way  
(When I put it on him, he don't stay up)  
Hey!  
(I done messed around and found a real one)  
Real one  
(He be goin' hard givin' real love)  
Real love  
(Real love)

Ladies and gentlemen, I know you understand how hard it is to find a real one  
When you find him, gotta keep him  
Gotta treat him like you need him

It's not often that a real one comes along, so be sure to hold on, hold on  
I done lucked up and didn't even know it  
I love him, and I ain't afraid to show it

(I done messed around and found a real one)  
(Real one)  
Found a real one  
(He be goin' hard givin' real love)  
Oh, real love!  
(I done messed around and found a real one)  
I done found a real love!  
(He be goin' hard givin' real love)  
Real love  
(Real love)

(I'ma hold him down on the way up)  
On the way  
(When I put it on him, he don't stay up)  
Don't stay up, oh!  
(I done messed around and found a real one)  
(Real one)  
(He be goin' hard givin' real love, real love)

(Real one, real one)  
(I done found a real one, real one)
