

# Train Of Thought

Chanté Moore

It's been a long day  
Too many people, people  
Are stressing me  
Where do I begin?  
Don't think about, think about  
What happened  
Coming home to you  
Boy that's the only thing that gets me through  
Cause I'm anticipating everything you do  
It's the way you touch  
Some of the things you say that make it okay

Ooh yeah  
Ooh oh yeah  
Ooh yeah  
Yeah, yeah, yeah

I've completely lost my train of thought  
Just what was I saying  
I'm caught up and it's all by your loving  
With the things you do  
Boy you make me feel so good  
(2x)

What was I about to say?  
Oh yeah, something, something 'bout my day  
Why you lookin' at me that way  
You wanna what?  
Wanna do what? Ooh!  
Bubble bath, after that  
When you do  
Take your time  
Need you to help me  
Help me unwind

I've completely lost my train of thought  
Just what was I saying  
I'm caught up and it's all by your loving  
With the things you do  
Boy you make me feel so good  
(2x)

That's why I love you babe  
Do it all day baby  
That's what I wanna do  
Cause I belong to you  
I just wanna thank you  
For the way you took me into you arms  
And held me, oh

I've completely lost my train of thought  
Just what was I saying  
I'm caught up and it's all by your loving  
With the things you do  
Boy you make me feel so good
