

O thou that Lieth  
Dead but ever dreamth  
Hear me o Mighty Dragon  
Hear me Lord of Dreams  
For the dream life  
is the only life  
In the depths of the mind they have sealed ye

But those who have risen  
Shall break the accursed Bonds  
And thy Kingdom  
shall rise once more

The Risen ones knoweth  
the Secret Name  
The Hydra knoweth the Lair  
In the depths of the Primal Self
