A Song For Mama

You taught me everything And everything you've given me I'll always keep it inside You're the driving force In my life There isn't anything Or anyone that I can be And it just wouldn't feel right If I didn't have you by my side You were there for me To love and care for me When skies were grey Whenever I was down You were always there To comfort me And no one else can be What you have been to me You'll always be You will always be the girl In my life for all times Mama Mama you know I love you (Oh you know I love you) Mama Mama You're the queen of my heart Your love is like Tears from the stars Mama I just want you to know Lovin' you Is like food to my soul You're always there for me Have always been around for me Even when I was bad You showed me Right from my wrong (Yes you did) And you took up for me When everyone was downin' me You always did understand You gave me strength to go on There was so many times Looking back When I was so afraid And then you come to me And say I can face anything And no one else can do What you have done for me You'll always be You will always be The girl in my life
