

Grown-Up Christmas List

Charice

Do you remember me?
I sat upon your knee
I wrote to you with childhood fantasies
Well I'm all grown up now
Can you still help somehow?
I'm not a child but my heart still can dream

So here's my lifeful wish
My grown up Christmas List
Not for myself
But for a world in need

No more lives torn apart
That wars will never start
And time will heal our hearts
And every man will have a friend
That right will always win
And love will never end
This is my grown up Christmas List

Why does this illusion call the innocence of you?
Maybe only in our blind belief can we ever find the truth

Not for myself
But for a world in need

No more lives torn apart
That wars will never start
And time will heal our hearts
Every man will have a friend
That right will always win
And love will never end
This is my grown up Christmas List
This is my only life long wish
This is my grown up Christmas List
