Grown-Up Christmas List

Do you remember me? I sat upon your knee I wrote to you with childhood fantasies Well I'm all grown up now Can you still help somehow? I'm not a child but my heart still can dream

So here's my lifeful wish My grown up Christmas List Not for myself But for a world in need

No more lives torn apart That wars will never start And time will heal our hearts And every man will have a friend That right will always win And love will never end This is my grown up Christmas List

Why does this illusion call the innocence of you? Maybe only in our blind belief can we ever find the truth

Not for myself But for a world in need

No more lives torn apart That wars will never start And time will heal our hearts Every man will have a friend That right will always win And love will never end This is my grown up Christmas List This is my only life long wish This is my grown up Christmas List Charice
