

In Love So Deep

Charice

No war can destroy us
No news is gonna bring us down
Na-oh Na-oh Na-oh oh oh
No recession gonna break us
Because what our love we're bound
Na-oh Na-oh Na-oh oh oh

No lies can affect us
No fools can tear us apart
Na-oh-oohh

Is this for me, for me to keep?
I am for you, in love so deep
This is for you, for you to keep
Are you for me? In love so deep

So in lo-ve
I'm so in lo-ve
I'm so in lo-ve
In love so deep

No words can divide us
No rivers gonna run between
Na-oh Na-oh Na-oh oh oh
Nobody's gonna sway us
We was gonna change our dream
Na-oh Na-oh Na-oh oh oh

This ring is a circle
I'm broken but never ever ends
Na-oh-oohh

Is this for me, for me to keep?
I am for you, in love so deep
This is for you, for you to keep
Are you for me? In love so deep

So in lo-ve
I'm so in lo-ve
I'm so in lo-ve
In love so deep
So in lo-ve (So in love)
I'm so in lo-ve (So in love)
I'm so in lo-ve
In love

How can I find you
In this world so wide
You're the first one who has touch me
So deep inside
Maybe deeper as the sky and
Deep as a kiss
I never imagine as deep as this
Na-oh-oohh Na-oh-oohh

Is this for me, for me to keep?
I am for you, in love so deep

Watch over for me while I'm asleep
I am for you, in love so deep

So in lo-ve
I'm so in lo-ve
I'm so in lo-ve (oohh)
In love so deep
So in lo-ve (oohh)
I'm so in lo-ve (oohh)
I'm so in lo-ve
In love so deep

ooohhh
In love so deep

So in lo-ve
I'm so in lo-ve
I'm so in lo-ve
In love so deep
So in lo-ve
I'm so in lo-ve
I'm so in lo-ve
