

# Louder

Charice

Louder  
Louder  
Louder  
Louder

I'm staring out of my window  
And the rain is pouring down  
When you left, I was so low  
But I'm not gonna drown

I don't need no shoulder  
I'm gonna be a soldier  
I just wanna feel somethin' I don't understand

I'm just gonna run right through the rain  
I'm just gonna dance right through the pain  
I just wanna feel that rhythm, feel that drum  
Let my heart beat louder  
Let my heart speak louder than my head (head, head, head)  
Heart beat louder than my head (head, head, head)  
Heart speak louder  
Wanna feel that rhythm, feel that drum  
Let my heart beat louder  
Let my heart speak louder than my head

I, I am over overthinking of how to get you back  
I'm checking out for the weekend  
And I ain't going back

I don't need no shoulder  
I'm gonna be a soldier  
I just wanna feel somethin' I don't understand

I'm just gonna run right through the rain  
I'm just gonna dance right through the pain  
I just wanna feel that rhythm, feel that drum  
Let my heart beat louder  
Let my heart speak louder than my head (head, head, head)  
Heart beat louder than my head (head, head, head)  
Heart speak louder  
Wanna feel that rhythm, feel that drum  
Let my heart beat louder  
Let my heart speak louder than my head

Oh, letting go  
Yet it feel so good, so right  
Oh, all I know  
Is that I let my heart beat  
Heart speak louder than my louder than my  
Heart beat heart speak louder than my louder than my  
Heart beat heart speak louder than my louder than my louder, louder, louder,  
louder

I'm just gonna run right through the rain  
I'm just gonna dance right through the pain  
I just wanna feel that rhythm, feel that drum  
Let my heart beat louder

Let my heart speak louder than my head (head, head, head)  
Heart beat louder than my head (head, head, head)  
Heart speak louder  
Wanna feel that rhythm, feel that drum  
Let my heart beat louder  
Let my heart speak louder than my head
