

My Grown Up Christmas List

Charice

Do you remember me?
I sat upon your knee
I wrote to you
With childhood fantasies

Well, I'm all grown up now
Can you still help somehow?
I'm not a child
But my heart still can dream

So here's my life full wish
My grown up Christmas list
Not for myself but for a world in need
No more lives torn apart
That wars will never start

And time will heal our hearts
And every man will have a friend
That right will always win
And love will never end
This is my grown up Christmas list

Why does this illusion
Call the innocence of you?
Maybe only in our blind belief
Can we ever find the truth?

Not for myself
But for a world in need
No more lives torn apart
That wars will never start

And time will heal our hearts
Every man will have a friend
That right will always win
And love will never end
This is my grown up Christmas list

This is my only life-long wish
This is my grown up Christmas list
