Sometimes Love Just An't Enough

I don't wanna lose you, But I don't wanna use you Just to have somebody by my side And I don't wanna hate you I don't wanna take you

But I don't wanna be the one to cry And that don't really matter To anyone anymore But like a fool I keep losing my place And I keep seeing you walk through that door

But there's a danger In loving somebody too much And it's sad when you know It's your heart you can't trust There's a reason why people Don't stay where they are Baby sometimes love just ain't enough

Now I could never change you I don't wanna blame you Baby you don't have to take the fall (You don't have to take the fall) Yes I may have hurt you But I did not desert you Maybe I just wanna have it all It makes a sound like thunder It makes me feel like rain Like a fool who will never see the truth I keep thinking something's gonna change

But there's a danger In loving somebody too much And it's sad when you know It's your heart you can't trust There's a reason why people Don't stay where they are Baby sometimes love just ain't enough

And there's no way home When it's late at night and you're all alone Are there things that you wanted to say? Do you feel me beside you in your bed? There beside you, where I used to lay?

Oooh, oh, oh Sometimes love just ain't enough Oooh There's a danger In loving somebody too much And it's sad when you know It's your heart you can't trust There's a reason why people Don't stay where they are Baby sometimes love just ain't enough Sometimes
