

# When You Say Nothing At All

Charice

Baby how ya doin?  
Are you ready to do this?  
Let's go!

It's amazing how you can speak right to my heart

Without saying a word you can light up the dark  
Try as I may I could never explain  
What I hear when you don't say a thing, baby

The smile on your face lets me know that you need me  
There's a truth in your eyes saying you'll never leave me  
The touch of your hand says you'll catch me if ever I fall  
You say it best when you say nothing at all

All day long I can hear people talking out loud (out loud baby)  
But when you hold me near you drown out the crowd  
(You drown out the crowd)  
Try as they may they can never define  
What's been said between your heart and mine

The smile on your face lets me know that you need me  
There's a truth in your eyes saying you'll never leave me  
The touch of your hand says you'll catch me if ever I fall yeah  
, yeah  
You say it best when you say nothing at all  
Oooh, mmmm,  
The smile on your face babe, oooh, oh, mmm,mmm  
Mmm, mmm, ooooh, ohhh

The smile on your face lets me know that you need me  
There's a truth in your eyes saying you'll never leave me  
The touch of your hand says you'll catch me if ever I fall  
You say it best when you say nothing at all
