Hip Hop is fickle and I get easily bored
But MTV shoulda had me on their list
Either way I'm happy I'm not in the midst of this shit
I don't rap I nag sippin moon shine
Like a bitch on her rag in the noon time
When is June time the rap Tony Bennet
You niggas visit the soul and be going in it
Hollywood joke so demented
But these faggots gotta know that I meant it
I'm verbally the Jim Crow laws
Cause only real niggas gonna get my dope bars
In Essence I'm Dr Kings Shooter
I just blacked out like Dr Kings future
Oh you rappers say you got a dream do you
Now go get a dollar play lottery BOOYAH
